Honors Presidents Research Projects

Directions: You will research and gather information about the President assigned to you. You will then use this information to create a presentation in your Google Drive. Your presentation should include the following:

1. Title/Introduction slide at the beginning
2. At least five slides of information & visuals
3. References slide at the end
4. How old was the President when he served?
5. How long did he serve?
6. When and how did he die?
7. What political party did he belong to?
8. What were two of the best things he did as President?
9. What were two of the worst things he did as President?
10. What was a major life event that happened to him?
11. Anything else we should know about him?
12. Make sure to share your presentation with me: christina.jones@prescottschools.com

	Absolutely	Somewhat	Sort of	No Bueno
Organization (all questions answered in fully organized slides)				
Creativity (visuals added to presentation)				
Accuracy (Truthful research proven with references slide)				
Presentation (eye contact, knowing what you are talking about, etc)
